

# Get truck driver leads your way

With 330K daily job alert emails, [gettruckerjobs.com](https://gettruckerjobs.com) helps connect drivers with top jobs from the nation's best trucker employers and recruiters. The 5K+ drivers added daily ensures your job posts will be seen by thousands of new drivers.

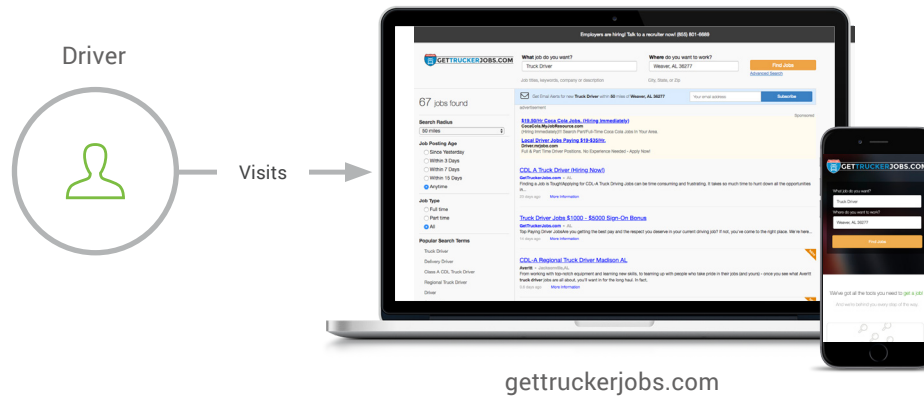

But how quickly those leads get to you and how quickly you make contact with those leads impact your ratio of active to idle trucks. With this in mind, [gettruckerjobs.com](https://gettruckerjobs.com) offers several lead management options, from standard form submissions to live or automated call transfers directly to your recruiters.

### Additional Alert Options

- Browser Notifications
- Facebook Messenger Job Alerts
- Text Message Job Alerts
- Email Job Alerts

1

### Standard Options

#### A. Form Submission from your custom campaign on gettruckerjobs.com

- Submitted leads are sent to you directly from our website.

#### B. Form Submission from our Agents

- Our agents pitch your opportunity to a pre-qualified driver during a call and assist form completion.
- You receive the pre-qualified form and follow up.

2

### Live Option

#### Live Call Transfer from our Agents

- Our agents get a pre-qualified driver on the phone and transfer the call to you.

3

### Automated Option

#### Automated text/call/transfer of leads to you

- When drivers fill out a form using their phone number, they receive an automated message via text and/or call to let them know you are interested in speaking with them. Once the driver is on the phone, the system will transfer them to your point-of-contact.
- You receive the leads and follow up.

## Job Alerts

In addition to form and phone call leads from our truck driver audience, we offer alert products to give you even more ways to connect with drivers.
