

# How do you reach the Top 250 Fleets?

CCJ's Top 250 Special Edition is the only print platform available that keeps your products or service front and center in an environment that features the most comprehensive ranking of active carriers found anywhere.

Because CCJ's Top 250 Special Edition provides carrier ranking by revenue, fleet size and employment base, it's a reference that users keep, and rely on. As an advertiser, this means the exposure and shelf life of your print ad is greater than standard editions. Extending your reach with the CCJ Top 250 newsletter, and online, where users can interact with even more robust data, can be a powerful marketing force multiplier.
